

Corporate travel solutions

Many actors of the finance industry use our one stop travel management solution, why not you?

T4EX

Why is T4EX the best solution for your team?

- **Best fares in market on air (business & first class) & hotels all year long**
- **Special fares & conditions for dedicated events (Accounting & Finance Show New York, International Academic Conference on Business & Economics Paris)**
- **User friendly & intuitive navigation**
- **Dynamic arbitrage between your, our and published negotiated fares**
- **Internal helpdesk support 24/7 based in Paris & New York**

Benefits for your company:

- **SBT* providing a customized self-validation process & an instant implementation of your travel policy**
- **Dynamic KPI to monitor your expenses**
- **Easily integrated solution within your IT (SSO*) or ASP access (via a web access without installation of any software)**
- **No set up or license fees**
- **Instant sharing of these conditions to all your subsidiaries**

*sbt: self-booking tool

*sso : Single Sign-On
